*Figures are based Energy Savings Trust averages and are approximate as conditions vary from install to install.

What happens to net profits generated by EasyTown?

Community Interest Companies (CICs) are limited companies, created for the use of people who want to conduct a business or other activity for community benefit. A "community interest test" and "asset lock" ensure the CIC is established for community purposes and the assets and profits are dedicated to these purposes. Registration of a company as a CIC has to be approved by the Regulator who also has a continuing monitoring and enforcement
